□ 1632

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. TIBERI. Mr. Speaker, on rollcall No. 319 (passage of H.R. 1654), I did not cast my vote. Had I been present, I would have voted "yea" on this vote.

PERSONAL EXPLANATION

Mrs. NAPOLITANO. Mr. Speaker, I was absent during rollcall votes No. 318 and No. 319 due to my spouse's health situation in California. Had I been present, I would have voted "yea" on the Lowenthal Amendment. I would have voted "nay" on the Final Passage of

H.R. 1654—Water Supply Permitting Coordination Act.

PERSONAL EXPLANATION

Ms. GRANGER. Mr. Speaker, due to a personal conflict, I was unable to make votes. Had I been present, I would have voted "nay" on rollcall No. 318 and "yea" on rollcall No. 319.

SUPPORTING THE UNITED STATES SECRET SERVICE

(Mr. KATKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KATKO. Mr. Speaker, I rise today to recognize the dutiful service of the United States Secret Service. The Secret Service protects the President and Vice President, their families, and foreign dignitaries, while also investigating cybercrimes and preventing fraud. These men and women place their lives on the line daily to protect some of the most highly targeted individuals in the world.

Further, they continue to conduct counterfeit interdiction operations despite the increasing need for protective details and low retention numbers.

While the Secret Service is often in the news for personal shortcomings, the organization has had a storied history in protecting the United States. It is a remarkable fact that, within the last year, they have successfully conducted security operations for multiple Presidential candidates, the U.N. General Assembly, a visit to New York City by Pope Francis, and countless foreign dignitary visits to our soil.

So from all of us here in Congress, I would like to thank the Secret Service for their service to our Nation and for their sacrifices. In the coming months, I plan to routinely honor this great example of American exceptionalism.

THE BETTER CARE RECONCILIATION ACT

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Mr. Speaker, I rise today in strong opposition to the latest plan to gut the Affordable Care Act.

Senate Republicans, as has been reported, just unveiled their draft of their healthcare bill, the Better Care Reconciliation Act, which was developed entirely behind closed doors and will be rushed to a vote, from what I understand, without additional input or public debate.

Mr. Speaker, make no mistake about it, this bill will not provide Americans access to better care and it will not create more affordable coverage.

Changes to Medicaid will mean Americans in the expansion population will eventually lose access to crucial services and supports, and shrinking the program will force States to cut services to the poor, the sick, and the elderly.
